

Mission

"Deliver visionary solutions to our client's business challenges that enhance earnings performance, create significant cost savings, and optimize the client's business value."

Standards for Consulting Services:

Client interest. Serve the client interest by seeking to accomplish the objectives established by the understanding with the client while maintaining integrity and objectivity

Understanding with the Client. Establish with the client a written or oral understanding about the responsibilities of the parties and the nature, scope, and limitations of services to be performed, and modify the understanding if circumstances require a significant change during the engagement.

Communication with client. Inform the client significant reservations concerning the scope or benefits of the engagement, and significant engagement findings or events.

Professional competence. Undertake only those engagements that the firm can reasonably expect to be completed with professional competence.

Due professional care. Exercise due professional care in the performance of services.

Planning and supervision. Adequately plan and supervise the performance of services.

Sufficient relevant data. Obtain sufficient data to afford a reasonable basis for conclusions or recommendations in relation to any services performed
